

# EVALUATION CONSIDERATIONS

## **Scoring breakdown**

50 % for base contract price

20% for rates on schedule for work outside base contract

10% for experience over 10 years

10% for base contract yearly increase rate

5% for set up in Hudson (office/workshop/storage/equipment)

5% for markup rate for materials (maxed at 12.5%)

## **Staff Support from Town of Hudson**

Elvis Dhima - Town Engineer- Day to day operations / Emergency/ Billing

Kevin Burns – Road Agent – Emergency/Operations

Jess Forrence – Street Supervisor – Emergency/Operations

Kathy Carpentier - Finance Director – Billing/ Meter readers / Customer Service

## **MUI Installation for the Remaining of the Services (Appendix E)**

The town recommends everyone puts a payment schedule together for this but we are not requiring it. We believe this will be beneficial to you when it comes to meter readings.

## **Yearly Flushing Procedure**

Please take into account that all flushing (approximately two weeks/year) will take place at night.
