

Town of Hudson & Best of Times Travel Proudly Present

Star of the Broadway hit show - The Illusionists - And the #1 selling magic show in the world!

Adam Trent has been described as “Justin Timberlake meets David Copperfield.” Adam is taking the magic world by storm, blending dancing and singing to his own original pop music with innovative stage illusions, charming wit, and emotion to create an experience that is part magic show, part concert, and part stand up comedy.

Though young, Adam already has a resume that many older professionals would envy. Not only is he one of the youngest international award winning magicians in history, US News & World Report Magazine identified him as one of “The 10 Most Influential Youths in the Nation.” He is a self-taught performer who is touted by some of today’s greatest magicians as being a genius headed straight for stardom.

In His Own Words - “What comes to mind when you think of a “Magician”? I’ve always thought that Magic should be entertaining first and tricky second. I don’t want people to remember just the “tricks”, but also the laughs and the memories that were made. I’ll bet that you’ll feel very different than you expected to feel after a “Magic Show”. In fact, I’ll bet my reputation on it.”
