Your group will be traveling to the picturesque coast of Maine to Portland where they will board the Casco Bay Lines. Enjoy the views from this 300 passenger ferry, which will be a two hour narrated ride to Bailey Island. Learn the history of Casco Bay as you cruise past lighthouses, forts, and turn of the century summer colonies. You'll see lobstermen tending to their traps and marvel at Admiral Peary's home on Eagle Island as you approach the scenic waters of Harpswell. Once at Bailey Island, you will be having a delectable lunch at Cook's Lobster House. Situated right on the water, and literally an easy walk right from where your boat docks, your group will be delighted with the service and food here.
