Today you will be seeing “*The Crazy Time.*”

This is a play about men trying to understand women and how they never will. Miles Gladstone, a man in his mid-fifties, has left his wife of thirty years and marries a young woman half his age. Six months later his new wife leaves him, his business partner has screwed him and his first wife, who is looking better than ever, wants to buy his modern apartment for her and her extremely young boyfriend. Struck by his first wife's fabulous appearance and new vivacious attitude, Miles offers to go back to her. He's shocked that she's not interested. The play ends with Miles, his partner who screwed him, and the young lover, all living together and trying to figure out women.

But the good times don't end there! You will enjoy a delightful Cabaret filled with songs and laughter to further entertain you! For a day trip to remember, join us! Includes: Transportation, lobster buffet luncheon, play, Cabaret, driver's gratuity, dining room taxes and gratuities.
