Authorized by: Lt. Gosselin

Contact: Shift Supervisor

On October 21, 2017 at about 1:55 pm, members of the Hudson Police Department and Fire Department responded to a one car accident in front of 25 Derry Street. Upon the officers arrival they determined that the operator was driving a 2017 Toyota Tacoma pickup southbound on Derry Street when he suffered a medical episode. This caused the driver to cross into the oncoming lane of traffic and collide with a tree in the yard of 25 Derry Street, which is along the north side of the roadway .

Hudson Fire EMT's attended to their driver at the scene and transported him to the SNHRMC where he was pronounced deceased. There were no other passengers in the vehicle. It is unknown if the driver was wearing a seatbelt, and there was no airbag deployment.

Portions of Derry Street near the accident were closed while an investigation was conducted. At about 4:00 pm, the vehicle was removed from the scene and the road was reopened.

The investigation continues by the Patrol Division.
