On June 4th at around 0737 hours the Hudson Police and Fire Departments responded to 216 Central Street for a report of a car versus bicycle collision with injuries. Upon arrival it was found that a:

2006 BMW 3-series
Driven by Jared WAGNER

was making a left turn into the parking lot at 216 Central Street. A road/race type bike being ridden by:

Brent OSBORN
28 years old, Of Nashua NH

was traveling westbound on Central Street at the time. The BMW failed to yield to the bicyclist and Mr. Osborn struck the passenger's side front and windshield of the BMW. Mr. Osborn sustained lower extremity injuries and was transported to the Southern New Hampshire Medical Center in Nashua by the Hudson Fire Ambulance. The Hudson Police want to remind all drivers to be attentive to other types of vehicles while driving. There are many cyclists on the road now that the summer is here. Cyclists are required to follow the rules of the road just as cars do.
