The Hudson Police Department will be sponsoring the 58th Semi-Annual American Red Cross Blood Drive at the Hudson Community Center on Tuesday, September 19, 2017 from 12:00 pm (noon) until 7:00 pm.

This blood drive will be held in memory of Officer James K. Stys. Officer Stys served as a Hudson police officer for 18 years. Officer Stys passed away in February following a courageous battle with cancer. He was a loyal blood donor and a strong supporter of community events. We will miss seeing his smiling face at our drives. This one's for you, our brother in blue.

The 58th drive will be serving a variety of food from many area restaurants and stores. After donating, replenish your body with food selections provided by: Bill Cahill's Super Subs, T-Bones, Nan King, Uno's (Amherst Street, Nashua), Valentino's, Klemm's Bakery (Windham), Mike's Pie, Margarita's Mexican Restaurant, Pizza King, Kendall Pond Pizza, Sam's Club, Walmart and more!

As a token of our appreciation (while supplies last) donors will receive a coupon for one small blizzard from the Hudson Dairy Queen. The first 100 donors will receive a carnation, compliments of Flowers on the Hill and in memory of Officer Stys. Also in memory of Officer Stys, donors will receive a special memorial t-shirt.

All eligible donors must be at least 16 years of age. In the State of New Hampshire, 16-year-olds can donate blood with parental consent. All donors must weigh at least 110 pounds, however, additional weight requirements apply for donors 18 years old and younger and all high school donors. All eligible donors must be feeling in good health to donate blood. First time donors are welcome!
