On September 8th the Hudson Police Department received a report from Williston ND P.D. that a credit card belonging to a citizen in Williston ND was used to make a purchase at our Hudson Wal-Mart. Upon looking into this report it was found that several suspects around the same time used different credit/debit card numbers to steal in excess of \$7000. The Hudson Police are asking for the public's help in identifying the four persons of interest involved in this particular incident.

We are also asking if anyone has had their credit/debit card used without their knowledge on or around late August or early September at our Wal-Mart to come forward so we can compare our list and identify other victims.

Anyone with information can contact the Hudson Police Department at 603-886-6011, those wishing to remain anonymous can call the crime line at 603-594-1150.
