On January 14, 2016 at 1:30 PM, members of the Hudson Police and Hudson Fire Departments responded to the area of 300 Derry Street for a reported two car accident. Upon the officers arrival they conducted an on-scene investigation. It was determined that a 2003 Ford Taurus was traveling south on Derry Street, crossed into the northbound lane and struck a northbound 2011 Toyota Highlander. The Hudson Fire Department EMT's transported the male driver of the 2003 Ford Taurus to the SNHRMC where he was pronounced deceased.

The male driver of the 2003 Ford Taurus was a lone occupant. The 2011 Toyota Highlander, besides the female driver, was occupied by two minor aged children. There were no reported injuries from the occupants of the 2011 Toyota Highlander. All involved were wearing their seatbelts, and there was airbag deployment in both vehicles.

This accident is being investigated by the Hudson Police Department Accident Reconstruction Team. Currently, portions of Derry Street between West Road and Cutler Road are closed during the investigation.
