On November 2, 2015, the Hudson Police Department responded to a residence at Elmwood Village for the report of a “razor blade” found in a Halloween bag of candy. The candy was obtained on Halloween night, October 31, 2015, in the area of Elmwood Village and adjacent neighborhoods. The investigating officer learned that an adult was checking the bag of candy when the “razor blade” was located loose among the candy. The “razor blade” is described as a single edge blade that is typically utilized for scraping windows. Currently, the Hudson Police Department Criminal Investigation Division is conducting an investigation. Please contact Sergeant Tom Scotti at (603) 886-6011 or tscotti@hudsonnh.gov with any information.

The Hudson Police Department encourages adults to inspect their children’s Trick or Treat bags, candy and all unwrapped items and to immediately report any suspicious items to the Hudson Police Department.
