On January 11, 2015 at approximately 5:00 a.m., members of the Hudson Police Department and Hudson Fire Department responded to the Hudson Community Church located at 19 Central Street for the report of a vehicle that drove into the facility. Upon arrival it was learned that the vehicle, a beige 2004 Jeep Liberty, had driven through the plate glass window of the church and came to a rest inside the building. A preliminary investigation revealed the vehicle was traveling west on Central Street and failed to negotiate a turn on the street. The driver lost control of the vehicle and initially struck a lolly column which supported the main entrance into the church. The lolly column became detached and the momentum of the vehicle caused it to crash through a large plate glass window. The driver, who was identified as Eddy Garcia, 47 years old of Nashua, New Hampshire was uninjured and declined transport to an area hospital. The officers on scene placed Garcia under arrest for suspicion of Driving While Intoxicated. The collision remains under investigation at this time.
