**On May 6, 2017, at 11:39 PM, the Hudson Police and Hudson Fire Departments responded to the area of 64 Lowell Road for a motor vehicle collision involving a pedestrian. Upon the officers arrival an on-scene investigation was conducted and it was determined the male pedestrian was walking east across Lowell Road when he was struck by a 2003 Toyota Sequoia. The vehicle was being driven by a male subject who was travelling northbound on Lowell Road. The Hudson Fire Department transported the male pedestrian to SNHMC for serious, but apparently non-life threatening injuries.**

**At the time of the accident the male operator was the lone occupant in the vehicle.**

**Drugs, alcohol, and speed do not appear to be factors in this collision, however this collision remains under investigation by the Hudson Police Department.**
