The Hudson Police Department sponsored its 56th Semi-Annual American Red Cross Blood Drive on Tuesday, September 20, 2016. Two hundred and twenty-one (221) citizens arrived to give blood and the Red Cross collected two hundred and ten (210) usable pints. One pint of blood can save up to three lives. The cheerful staff of volunteers spent the day helping out and working as a team. The volunteers were made up of members of the Hudson Police Department, the Hudson-Litchfield Rotary Club and Margarita's Restaurant along with citizens of Hudson.

The donors enjoyed a variety of food, donated by area stores and restaurants. On behalf of the Hudson Police Department and the American Red Cross, we would like to thank the following businesses for donating their services:
