Contact: Shift Commander

On November 17, 2016, Master Patrol Officer Brian Morgan of the Hudson Police Department began an investigation of a theft of a touch screen computer from Walmart, valued in excess of \$400. During the course of the investigation, the Hudson Police received an excellent quality image of the suspect from Walmart video surveillance.

Attached is an image of the suspect at Walmart on November 17, 2016. The image is of good enough quality that we believe someone who is familiar with the subject will easily be able to identify him. We are requesting assistance from the public in this effort. We are requesting anyone who knows the identity of the subject in the image to contact MPO Brian Morgan at (603) 886-6011 or an anonymous tip can also be left at (603) 594-1150.
