

Press Release

Hudson Police officers will be participating in a unique fundraiser for Special Olympics New Hampshire. During the months of February and March, residents will see bearded officers patrolling their town. Officers will be making a donation to Special Olympics for this rare opportunity to grow facial hair!

The fundraiser, “**Donate to Insulate,**” will precede the Special Olympics Winni Dip and hopefully the beards will help the officers keep extra warm while jumping into the cold waters of **Lake Winnepesaukee on March 10, 2018.**

Hudson Police will have a team of officers participating in the Winni Dip. Anyone interested in making a donation to Hudson Police on behalf of Special Olympics New Hampshire for the Winni Dip can stop by the station at 1 Constitution Dr., Hudson, NH or they can make a donation through the website:
