

RESTAURANT & RESIDENTIAL CONCEPTUAL

SITE PLAN

CSP# 03-24

STAFF REPORT

June 12, 2024

SITE: 256 Lowell Road, Map 228 / Lot 007

ZONING: Business (B)

PURPOSE OF PLAN: To depict the proposed mixed use plan which involves constructing a 10,000 +/- square-foot restaurant, 48 residential dwelling units, and other associated site improvements.

PLAN UNDER REVIEW:

Concept Plan CSP# 01-24, Map 228 Lot 007, 256 Lowell Road, Hudson, NH; prepared by Meridian Land Services, Inc. 31 Old Nashua Road, Amherst, NH 03031; prepared for: 256 Lowell road, LLC, 9 Old Derry Road, Hudson, NH 03051, consisting of 1 sheet and general notes 1-7; dated May 21, 2024.

ATTACHMENTS:

- 1) Application dated & received May 21, 2024 – Attachment “A”.
- 2) Department Comments – Attachment “B”.
- 3) Zoning Determination #24-024, dated March 18, 2024 – Attachment “C”.
- 4) T-Bones letter to Hudson patrons – Attachment “D”
- 5) Public Comments – Attachment “E”.

APPLICATION TRACKING:

- May 21, 2024 – Conceptual plan application received.
- June 12, 2024 – Conceptual Review scheduled – No public input.

COMMENTS & RECOMMENDATIONS:

BACKGROUND

The site is approximately 6.43 acres and is located in the Business zone. The proposed site has never been developed. A relatively large wetland area encompasses the southern portion of the property as shown on the conceptual plan. No part of the site falls within designated flood zones, nor are any easements marked on the plan. The applicant intends for access to be provided via an easement onto the Wal-Mart drive located on Map/Lot 228-006-000, to which Wal-Mart has tentatively agreed to.

DEPARTMENT COMMENTS

Engineering had provided the following comment:

1. Applicant should look into pushing the 48 unit building back and creating parking for the building in front of it, separate from the restaurant parking.

2. Applicant should look into underground stormtech chamber system under the parking area to reduce the aboveground storm water detention area.

Fire has provided the following comment:

1. The site plan submittal provided by Meridian Land Services Inc. is incomplete. The applicant needs to provide a complete site plan showing fire department access for both the restaurant and the apartment building. The site plan also needs to show a fire hydrant location plan for both the apartment building and the restaurant. The proposed site needs to conform to the State Adopted Fire Code NFPA 1, 2018 edition, chapter 18, fire department access and water supply.

Staff notes that this is a conceptual site plan, and not a full site plan proposed for approval.

Full Comments can be found in Attachment “**B**”.

STAFF COMMENTS

Due to being a conceptual site plan, many details related to the project are currently unknown. In broad terms however, the site is one of the few remaining undeveloped business lots in town capable of hosting the large amount of traffic a destination restaurant may generate. It should be noted that a significant proportion of the proposed parking lot is within the required 100 foot buffer. How this area would be dedicated to residential parking is unclear. It should also be noted that the proposed residential density appears to exceed the maximum allowable for the site with 48 units whereas only 45 units permitted. Consideration should also be given to delineation of drop-off, package delivery and loading areas for both uses, landscaping, including interior parking lot landscaping, internal vehicular and pedestrian circulation, and open space/outdoor recreation areas for the residences.

RECOMMENDATIONS

This phase is intended for discussion and Board input on the concept plan, but does not compel a Board vote of definitive action. This is an opportunity to anticipate issues that may arise during Site Plan Review, including dimensions, building placement, parking arrangement, and what waivers may or may not be required pending full Site Plan submission. Public comment is not required, as this is not a public hearing.

**Re: Restaurant and Residential @ Lowell Rd
256 Lowell Rd
Lot 228-7
Hudson, NH**

May 21, 2024

Conceptual Site Plan Application

I) INTRODUCTION

The applicant, Lowell Rd., LLC, has requested to be heard at the Hudson Planning Board for a Conceptual Site Plan discussion at Lot 228-7. The project involves constructing a 10,000 +/- square-foot restaurant, and 48 residential dwelling units and other associated site improvements.

II) EXISTING USE

The property is currently vacant with a variety of ground covers and tree foliage.

III) SUBDIVISION

No changes to the property boundary are proposed under this application.

IV) STORMWATER MANAGEMENT

It is expected that the site improvements will trigger a NHDES Alteration of Terrain stormwater permit, therefore the site's stormwater will be designed to Env-Wq 1500: Alteration of Terrain. It is also understood that the site will have to comply with the local stormwater ordinance outlined in Chapter 290 of the Town of Hudson Part 1: Administrative Legislation. The proposed plan has two areas reserved for stormwater management areas.

V) SITE ACCESS AND PARKING

The site is proposed to be accessed from the existing signalized access to Walmart. Walmart has preliminarily approved the site's connection to their access and will grant an easement to the project when it is appropriate.

The parking lot will be reconfigured to provide 219 +/- paved parking spaces. The parking will be shared with exception of the parking within the residential buffer will be restricted to be for the residential apartments.

VI) UTILITIES

The lot is proposed to be served by municipal water, sewer, and gas.

VII) LANDSCAPING

It is acknowledged that landscaping will need to be provided at time of formal submission.

VIII) SITE LIGHTING

It is acknowledged that a code compliant lighting plan will be provided at time of formal submission.

Zoning Determination #24-024

March 18, 2024

Bill Greiner
12 Aspen Lane
Bedford, NH 03110

Re: 256/266 Lowell Road Map 228 Lot 007/008-000
District: (B)

Dear Mr. Greiner,

Your request: To develop a mixed-use property within the Business (B) district that abuts a Residential-2 (R-2) zone.

Zoning Review / Determination:

The restaurant and the multifamily are permitted in the business zone per §334-21 Table of Permitted Uses. Multifamily falls under the table of use category (A-3) and the restaurant is (D-15). Mixed-use developments follow certain criteria regarding dimensional requirements, which can be found in the Table of Minimum Dimensional Requirements §334-27 Table of Permitted Dimensional Requirements. Minimum frontage shall be no less than the greater of the two uses' minimum frontage requirements. Multi-family homes (3 dwellings) with access to Town water and sewer require no less than 53,560 square feet of developable land, with each additional dwelling requiring an additional 5000 square feet of land. Developable land is defined as a contiguous area upland of wetlands and does not contain any steep slopes.

There would also need to be a Site Plan Review from the Planning Board per §334-16.1 Site Plan Approval., contact the Planning Department at (603) 886-6008 for application details.

Sincerely,

Chris Sullivan
Zoning Administrator/Code Enforcement Officer

NOTE: this determination may be appealed to the Hudson Zoning Board of Adjustment within 30 days of the receipt of this letter.

Dear Hudson Neighbor,

I hope this message finds you well. My name is Nicole Barreira; I am privileged to serve as the Director of Marketing and Menu Development for Great NH Restaurants, and I am also an owner in all of our restaurants, including the cherished T-BONES location here in Hudson, NH. I'm also a proud alumnus of Alvirne High School and its culinary CTE program.

Since the opening of T-BONES at 77 Lowell Road in 1986, it has been our privilege to provide our community with countless memorable meals and experiences. We've cherished every moment of being part of the fabric that brings Hudson together and have always strived to give back to this wonderful community.

Our landlord recently encountered a culvert issue under the parking lot at our Hudson location. We've been diligently working alongside him to address the issue. It's a sizeable project that demands attention, and while we're committed to helping the landlord resolve it, the timeline remains uncertain as he awaits feedback from town and state engineers. It is the landlord's responsibility to repair the culvert. We are not responsible, nor can we control the timeline of when he will have it repaired.

In the face of this adversity, we're exploring all avenues to ensure we can continue serving you, our valued loyal guests. Whether through supporting our landlord in overcoming these challenges or seeking alternative solutions, our priority remains unwavering – to remain a cornerstone of the Hudson community.

In pursuit of this goal, we've begun the search for a new location, with our sights set **firmly on remaining in Hudson**. We're thrilled to share that should it be needed, we've already identified an exciting opportunity to establish a brand-new, larger, and state-of-the-art T-BONES adjacent to Walmart at 256 Lowell Road.

Attachment "D"

We'll continue to develop this plan in the coming weeks, with the intent to present it to the Hudson Planning Board early this summer. As a loyal guest and member of Payback\$, we would appreciate your support in this project and encourage you to reach out to the Hudson Town planning department by filling out the form on their website or by attending our presentation to the Planning Board, currently scheduled for June 12, 2024.

To show your support:

Question/Comments you'd like to share

I am in support of keeping T Bones Restaurant in the town of Hudson. Not only has it been a great place for locals to meet and eat but just its name alone represents good will. That organization has done such great things for not only the town but the state. When Covid hit and businesses closed down Thomas Boucher was in the forefront to get people back on their feet.. This is something that needs to be done.

I urge you to approve the T-Bones plan for purchasing land and building a new and improved facility adjacent to Walmart at 256 Lowell Road. We have resided in Hudson for seventeen years and for many of those years have dined at T-Bones. The staff is courteous and some have become friends. T-Bones has been an asset to our town as well.

Question/Comments you'd like to share

All we are getting is more and more housing that will also require more help for education, police and fire. You can't even go down or up Lowell Road anytime after 3PM. So, to get to the new proposed T-Bones, you'd have to maneuver the Horrendous traffic that already exist. In addition, we can't afford the raise in taxes every year that we have nothing to show for. We are seniors, haven't used the schools, my husband has to go to Litchfield to play pickleball and have no tax breaks like most cities. How many more years will people be able to afford to live here?

Question/Comments you'd like to share

Dear Sirs:

I understand that T-Bones is looking to move to another location in Hudson. T-Bones is a great place to eat and I would hate to lose a good restaurant in town.

Please do what you can to keep T-Bones in Hudson.

Thanks,

Jennie Calavritinos

Question/Comments you'd like to share

Dear Honorable Planning Board,

Unfortunately I cannot attend your currently scheduled June 12 meeting. I am writing for your support of T-Bones staying in Hudson. I can count on one hand only but a very few businesses that I would even consider articulating my personal support in writing. I'm confident that you would agree that for many years T-Bones has consistently shown itself to be a true Hudson community partner. It is has always been evident that T-Bones maintains a genius business philosophy in high food quality, 5 star customer service, and great value that shines clearly as a role model for other businesses to follow.; Notably which why T-Bones is always busy, which is very positive for the Hudson business and consumer community. I frequently observe that special attention is paid to the outside of T-bones' building. The restaurant always appears to be well maintained including the busy parking area. I have personally seen employees outside before opening times making sure their outside is properly ready to receive visitors; another testament of a community neighborhood partnership. T-bones also employs a great communication model utilizing coupons that can be obtained at other Hudson businesses, social media, coupons in local weekly mail advertisements, and the use of e-mails for additional monthly cost savings, to advise of special events, holidays, and even inclement weather closings, so people don't needlessly travel to their locations on slippery and hazardous roadways in the winter. Please keep T-Bones part of our Hudson family. It would be terrible if T-Bones is forced to leave Hudson. I am hopeful that the Hudson Planning Board can work with T-Bones to make their transition to a new location seamless and easy as possible. Feel free to read my support in public at any of your meetings. Thank you in advance for your kind attention. Kevin Irwin 44 Lexington Court, Hudson NH 03051. kbi304@icloud.com

Question/Comments you'd like to share

I am support of keeping T-Bones in Hudson.

They are a wonderful restaurant that supports the community of Hudson. If there is a need to move to a new location in Hudson then I think the space across from Walmart would be great!

Question/Comments you'd like to share

T-Bones has been a staple of Hudson for many years. I think it would be a shame to lose them to another town since it is one of a few eating places that is above fast food. When they present this board with a plan to relocate at another site in Hudson, I think it would be a very good idea if you give it a great deal of thought and consideration. Thank you, Maureen McCarthy

We write you in support of T-Bones staying in Hudson. I understand T-Bones will be making a presentation to the Planning Board on June 16. Please keep me informed as to how you will vote on their proposed move adjacent to Walmart at 256 Lowell Road.

We look forward to hearing from you on this issue.

Regards,

Ellen and Mike Lee

Question/Comments you'd like to share

I'm in support of keeping TBones as part of the Hudson Community. We have enough smoke, pizza parlors, and auto related shops. T-BONES has been a mainstay in our community and we need to support them. They've supported the residents of our town with not only quality food options but as a sponsor for the many charitable organizations in our community.

"In support of T-BONES staying in Hudson". My wife and I are weekly customers of T-Bones in Hudson. Please do all you ca to work with our T-Bones and keep them in Hudson. T-Bones is a staple for us and so many others from many other towns and cities in the area. We certainly do not want to think of a future without T-Bones in Hudson. Thank you for listening to us.

Question/Comments you'd like to share

I am not a resident of Hudson but I frequent T Bones of Hudson often.

I support them in their quest to stay in Hudson.

Please consider their plan for new restaurant and keep them in Hudson.

Thank You!

Tom Moriarty a TBones Patron.
