Question/Comments you'd like to share

Dear Members of the Hudson Planning Board,

I am writing to express my interest in serving as an alternate member of the Hudson Planning Board. As a long-time resident of Hudson and a professional in a construction-related business, I believe I can bring valuable insights and a balanced perspective to the board.

Having lived in Hudson for many years, I have developed a deep appreciation for our community and its growth. I work at a company that is construction related. So I am not opposed to the construction industry. Additionally, I have spent hundreds of hours volunteering as a youth coach in the town, which has allowed me to engage with and give back to our community significantly.

I am politically moderate, which allows me to approach issues with an open mind and consider multiple viewpoints. My goal is to ensure that Hudson continues to develop in a sustainable and well-planned manner, balancing growth with the preservation of our town's character and resources.

I am enthusiastic about the opportunity to serve our community and contribute to its future development.

Thank you for considering my application. I look forward to the possibility of working with the Planning Board to help shape the future of Hudson.

Sincerely,

William
