WE WILL ROCK YOU! Absolute Queen is more than a tribute. Absolute Queen is the most authentic Queen Tribute Show band on the Planet. This show is a pure replication of Queen's music with intricate harmonies and the iconic effects that define Queen's sound.

Queen has been a global presence in popular culture for more than half a century. Estimates of their record sales range from 250 million to 300 million, making them one of the world's best-selling music artists. Queen released their self-titled debut album in 1973. Their featured song "Bohemian Rhapsody", stayed at number one in the UK for nine weeks and helped popularise the music video format. The band's 1977 album News of the World contained "We Will Rock You" and "We Are the Champions", which have become anthems at sporting events. By the early 1980s, Queen were one of the biggest stadium rock bands in the world. "Another One Bites the Dust" from The Game became their best-selling single,

while their 1981 compilation album Greatest Hits is the best-selling album in the UK and is certified nine times platinum in the US!

The success of the Oscar winning movie, Bohemian Rhapsody, has elevated Queen music to a whole new level, and has exposed them to a whole new generation of fans. Absolute Queen, plays the entire soundtrack, and the entire version of Bohemian Rhapsody, along with Queens greatest hits from their 9-Time Platinum Album.

Absolute Queen is a fantastic recreation of a Queen concert with all of the hits and bombast to take you back to those huge arena shows. The show is more than just a Queen Tribute band, the music and stage production will blow you away! Lead vocalist Martyn Jenkins performed for years across Europe as Freddie in the show "Night at the Opera". He has had the pleasure of sharing stages with both Brian May and Roger Taylor of Queen. Absolute Queen has spent hundreds of hours in the studio studying Queen's many layered harmony vocals and instrumentation to bring you the most authentic sounding Queen Live experience!
