**DAY ONE:** Your group will travel through scenic small towns along the beautiful coast of Maine to Boothbay Harbor. You will first visit the Portland Headlight at Cape Elizabeth, Maine. Built in the 1790's, you will have beautiful views from one of the country's earliest lighthouses. After your visit, you will have time in Portland to shop and grab a bite to eat., on your own. You will be arriving in Boothbay Harbor in the afternoon. The home for your 2-night stay is the lovely Boothbay Harbor Inn located directly on the waterfront of this charming village. The Inn is located literally on the waterfront in the hub of a busy summer resort, with excellent facilities for fishing, yachting, and boat trips. Another added bonus to this property is its location to the famous footbridge which provides easy access to the center of town. Each luxurious room offers air conditioning, heat, telephones, color cable TV, and private bath. Upon arrival, you will be greeted by the Inn's Manager and treated to a Welcome Reception. Your delicious dinner, included, will be served in the Inn's breathtaking waterfront restaurant.

**DAY TWO:** After your Buffet breakfast, included, you will tour Ocean Point, one of the most scenic spots along the rock-bound coast of Maine. Next, get ready for a picturesque boat ride and a Double Lobster Bake! Today you will board the Bennie Alice and enjoy a narrated scenic cruise while you take in Maine's breathtaking coastline. As you step off the boat, Bob and Wayne Moore will greet and welcome you to the island. With indoor and outdoor dining options, you will have ample choices on where to sit. Cabbage Island guests are treated to a traditional Downeast clambake including fish chowder, two lobsters or roasted half chicken, clams, golden corn on the cob, potato, onion, a hard-steamed egg and Maine's finest blueberry cake. We cook our clambakes in traditional fashion - steamed over open fires between thick layers of seaweed and covered with tarpaulins to seal in all the great flavor and natural sweetness. PLEASE NOTE! The grounds here are uneven, and guests carry their own trays to their tables. You will have the evening free to explore and get something to eat if you choose to. The dining room will not be open as a dinner option.
