The legendary John Denver evokes memories of an era in music which was both inspiring and influential. His music is a combination of romance - *Annie's Song*; folk - *Leavin' on a Jet Plane*; country - *Thank God I'm a Country Boy*; and environmentalist - *Calypso*. He recorded nearly 300 songs, 200 of which he composed, which led to 12 gold and 4 platinum albums; he was also awarded an Emmy and two Grammy's. He was a brilliant song writer and a truly gifted performer.
