#### APPLICATION FOR A VARIANCE

Ordinance Articleof HZO Section(s) in order to permit the following:	This form constitutes a request for a variance from the literal provisions of the Hudson Zoning
	Ordinance Article of HZO Section(s)
	in order to permit the rono mang.

#### **FACTS SUPPORTING THIS REQUEST:**

The power to grant variances from the local zoning ordinances is established in NH RSA 674:33 I (a), as follows:

- I.(a) "The Zoning Board of Adjustment shall have the power to: ....
  - (2) Authorize, upon appeal in specific cases, a variance from the terms of the zoning ordinance if:
    - (A) The variance will not be contrary to the public interest;
    - (B) The spirit of the ordinance is observed;
    - (C) Substantial justice is done;
    - (D) The values of surrounding properties are not diminished; and
    - (E) Literal enforcement of the provisions of the ordinance would result in an unnecessary hardship.
  - (b)(1) For purposes of this subparagraph I(a)(2)(E), "unnecessary hardship" means that, owing to special conditions of the property that distinguish it from other properties in the area:
    - (A) No fair and substantial relationship exists between the general public purposes of the ordinance provision and the specific application of that provision to the property; and
    - (B) The proposed use is a reasonable one.
    - (2) If the criteria in subparagraph (1) are not established, an unnecessary hardship will be deemed to exist if, and only if, owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance, and a variance is therefore necessary to enable a reasonable use of it.
    - (3) The definition of "unnecessary hardship" set forth in subparagraphs (1) and (2) shall apply whether the provision of the ordinance from which a variance is sought is a restriction on use, a dimensional or other limitation on a permitted use, or any other requirement of the ordinance.

# FACTS SUPPORTING THIS REQUEST:

The power to grant variances from the local zoning ordinances is established in NH RSA 674:33 I (a). New Hampshire case law has established on the basis of this statute and/or its precedent versions, that all of the following requirements must be satisfied in order for a Zoning Board of Adjustment to grant a variance. You must demonstrate by your answers in the following blanks that you do or will meet each and every requirement. Do not presume or say that a requirement does not apply, or your request will be disqualified. Note that your answers here can be summary in nature, and you can provide additional testimony at the time of your hearing.

.•	Granting of the requested variance will not be contrary to the public interest, because: (Explain why you feel this to be true—keeping in mind that the proposed use must not conflict with the explicit or implicit purpose of the ordinance and that it must not alter the essential character of the neighborhood, threaten public health, safety, or welfare, or otherwise injure "public rights.")
	The proposed use will observe the spirit of the ordinance, because: (Explain why you feel this to be true—keeping in mind that, as detailed above, the proposed use must not conflict with the explicit or implicit purpose of the ordinance and must not alter the essential character of the neighborhood, threaten public health, safety, or welfare, or otherwise injure "public rights.")
•	Substantial justice would be done to the property-owner by granting the variance, because: (Explain why you believe this to be true—keeping in mind that the benefits to the applicant must not be outweighed by harm to the general public or to other individuals.)
	The proposed use will not diminish the values of surrounding properties, because: (Explain why you believe this to be true—keeping in mind that the Board will consider expert testimony but also may consider other evidence of the effect on property values, including personal knowledge of the members themselves.)

# **FACTS SUPPORTING THIS REQUEST: (Continued)**

<b>A.</b>	<ul> <li>Explain why you believe this to be true—keeping in mind that you must establish that:</li> <li>Because of the special conditions of the property in question, the restriction applied to the property by the ordinance does not serve the purpose of the restriction in a "fair and reasonable" way <u>and</u></li> </ul>
_	
_	
	2) Explain how the special conditions of the property cause the proposed use to be reasonable.
	rousonable.
В.	Alternatively, you can establish that, because of the special conditions of the property, there is no reasonable use that can be made of the property that would be permitted unde the ordinance.
